### **BOISE PHILHARMONIC PRESENTS CONCERT OF BELOVED HOLLYWOOD SCORES**

MARCH 18, 2019—The Boise Phil will present the third and final concert of its first-ever Pops Series on Saturday, March 30 with *Hollywood Hits*, a concert showcasing some of the movie industry’s most beloved and recognizable film scores. Audience favorites like *Raiders of the Lost Ark*, *Star Trek: Into Darkness*, *Gone with the Wind*, and *The Pink Panther* will be heard while accompanied by vintage images, film clips, and movie trivia on screen.

This performance marks the first time the Boise Phil has put on a concert sequencing many film scores into one performance. The orchestra has presented three feature length film concerts, including the first two films from the *Harry Potter* series, and the original *Star Wars: A New Hope* film. *Hollywood Hits* doesn’t focus on one film, but offers the chance to hear a multitude of film scores from the classic Hollywood library in one sitting while viewing stills, clips, and movie trivia on the big screen.

Tickets for this performance are on sale now at [boisephil.org](http://boisephil.org) or by calling 208-344-7849. Student 25% discounts are available through March 25 by calling the Boise Phil office, and student rush tickets will be available at the door for \$20 cash the night of the performance.

For more information about the performance, please contact Marketing Manager Anna Meacham at [anna@boisephil.org](mailto:anna@boisephil.org).
