Boise, ID (February 4, 2021) – Boise Philharmonic is excited to announce that **Christal Holmes** has joined the Boise Phil's staff as the organization's new **Director of Business Operations & Finance**.

"I'm honored to accept this Director role with the incredible Boise Philharmonic team! I'm continuing a journey in the arts I started years ago at the Grand Teton Music Festival," said Christal. "Throughout my career, I have been involved in the oversight for a variety of organizations, where I developed an appreciation for places like the Phil that connect with the community."

With over 16 years of experience, Christal has worked in many different types of public accounting. In 2010 Christal worked for the Grand Teton Music Festival as their Director of Finance, and since then has been hoping to work with music non-profits as she feels a strong connection to the arts.

Christal's first day with the Boise Phil was February 1, 2021.
